

Job Posting
RECRUITMENT LEAD

DM Clinical Research, the largest privately-owned research management organization in the Houston area and one of the top 50 CROs in the country, is looking for an experienced **Patient Recruitment Lead** to join our team of professionals. This role will be responsible for:

- Leading a team of patient recruiters in specific therapeutic areas such as endocrinology and cardiology.
- Collaborating with your team to meet recruitment goals.
- Calling to recruit and pre-screen subjects to determine if they pre-qualify to participate in one of our research studies.
- Talking to patients in clinic about studies and verify qualifications; discussing studies with parents of pediatric subjects.

Requirements

- At least a year of patient recruitment experience.
- Bachelor's degree.
- Foreign Medical Graduates encouraged to apply.
- Spanish Bilingual preferred.
- Sales and clinical background preferred.
- Be an energetic, go-getter who is detail-oriented and can multi-task.
- Be goals-driven while continuously maintaining quality.

We offer excellent compensation, benefits, and opportunities for continuous career advancement; please apply for immediate consideration.
